Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Tuesday 08 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain on Wednesday but drier in the east.

This Evening and Tonight:
A dry, bright and warm evening. Staying mostly dry and very mild overnight with some clear spells. Cloud will thicken by morning to bring the odd shower. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Largely cloudy with showery rain, mainly in the west. Drier in the east with a few brighter spells towards the coast. Warm and humid. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Mainly dry and breezy on Thursday with some warm sunny intervals breaking through. Friday and Saturday will be dry with some long sunny spells.
